Accommodation

Student residence located in one of **the most quiet and beautiful areas of the city** of Zaragoza and right next to the sports complex where we do all our activities.

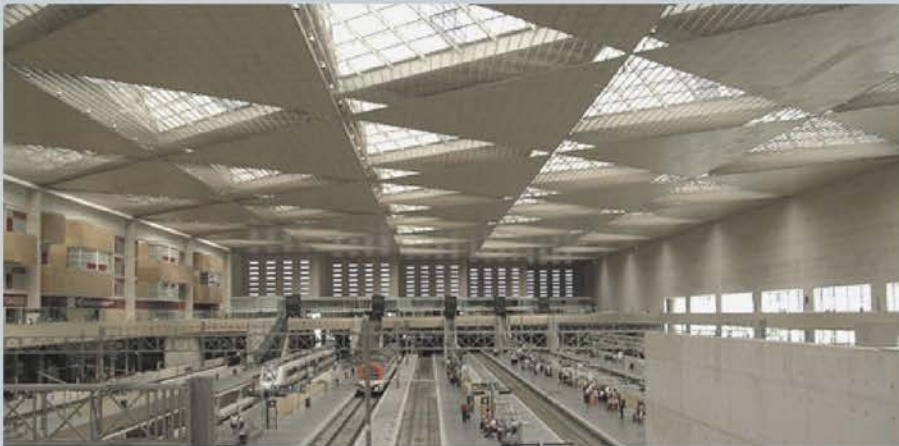

The rooms have a single bathroom and air conditioning. They are all exterior with lots of natural light and can be single and double rooms.

The accommodation is equipped with a exclusive large dining room where all meals of the day are made and has its own kitchen.

It has spaces and common areas to meet and work in a group or for leisure time, watch television, chat, play or read the press. In addition to WIFI.

It also has a coffee shop, vending machines (refreshments, coffees ...)

Location

To get to Zaragoza you have several options, by **plane**, the airport is less than 10 km from the city center; the train, which is one of the most used alternatives to travel to the aragonese capital, since the **AVE** was put into operation, connecting it to Madrid and Barcelona in less than 90 minutes; bus service or with car a good option thanks to its good geographical location.

Zaragoza has **a rich historical-artistic heritage**, due to its more than two thousand years of history, with important jewels of civil and religious architecture and some museums in which it is worth visiting to know the different stages of the city.

The city of **Zaragoza** located in the northeast of **Spain**, is about 300 km from Madrid, Barcelona, Valencia and Bilbao, a **privileged geographical situation** that makes it an important logistics hub and communications. It is the fifth most populated city in Spain and one of the most beautiful in the country.
